The screenshot displays two side-by-side panels of the application interface. Each panel has a 'CNTR#' section with an 'ADD' button and a 'Remark' section with a text area. The left panel shows four container numbers: TEST1234567, TEST7654321, TEST0987654, and TEST1234890. Each number is in a text input field, followed by the word 'Required' and a purple 'REMOVE' button. The right panel shows the same four container numbers, but the 'REMOVE' buttons for TEST1234567 and TEST1234890 are highlighted with a yellow border, indicating they are the focus of the current step.

This screenshot shows the application after the deletion process. The 'CNTR#' section now only contains two container numbers: TEST7654321 and TEST0987654. Each number is in a text input field, followed by 'Required' and a purple 'REMOVE' button. The 'Remark' section is empty.
